TABLE OF CONTENT

CHALLENGES FACING LTC FACILITIES TODAY:

Our Solution:

A Smarter Facility Portal for Smarter Medication Management

1

Role Based Dashboard

Tailored dashboard for Admins, Dons, Techs/Nurses

2

Prescription Status Tracker

Full visibility for order to fulfillment

3

Real-Time Drug Pricing & High-Cost Alerts

Monitor drug prices, view pricing trends, flag expensive meds, and suggest interchanges

4

Invoice Dashboard

View, filter, and export pharmacy invoice with ease. Communicate with the pharmacy billing team.

5

Returns Management

Create and view returns

6

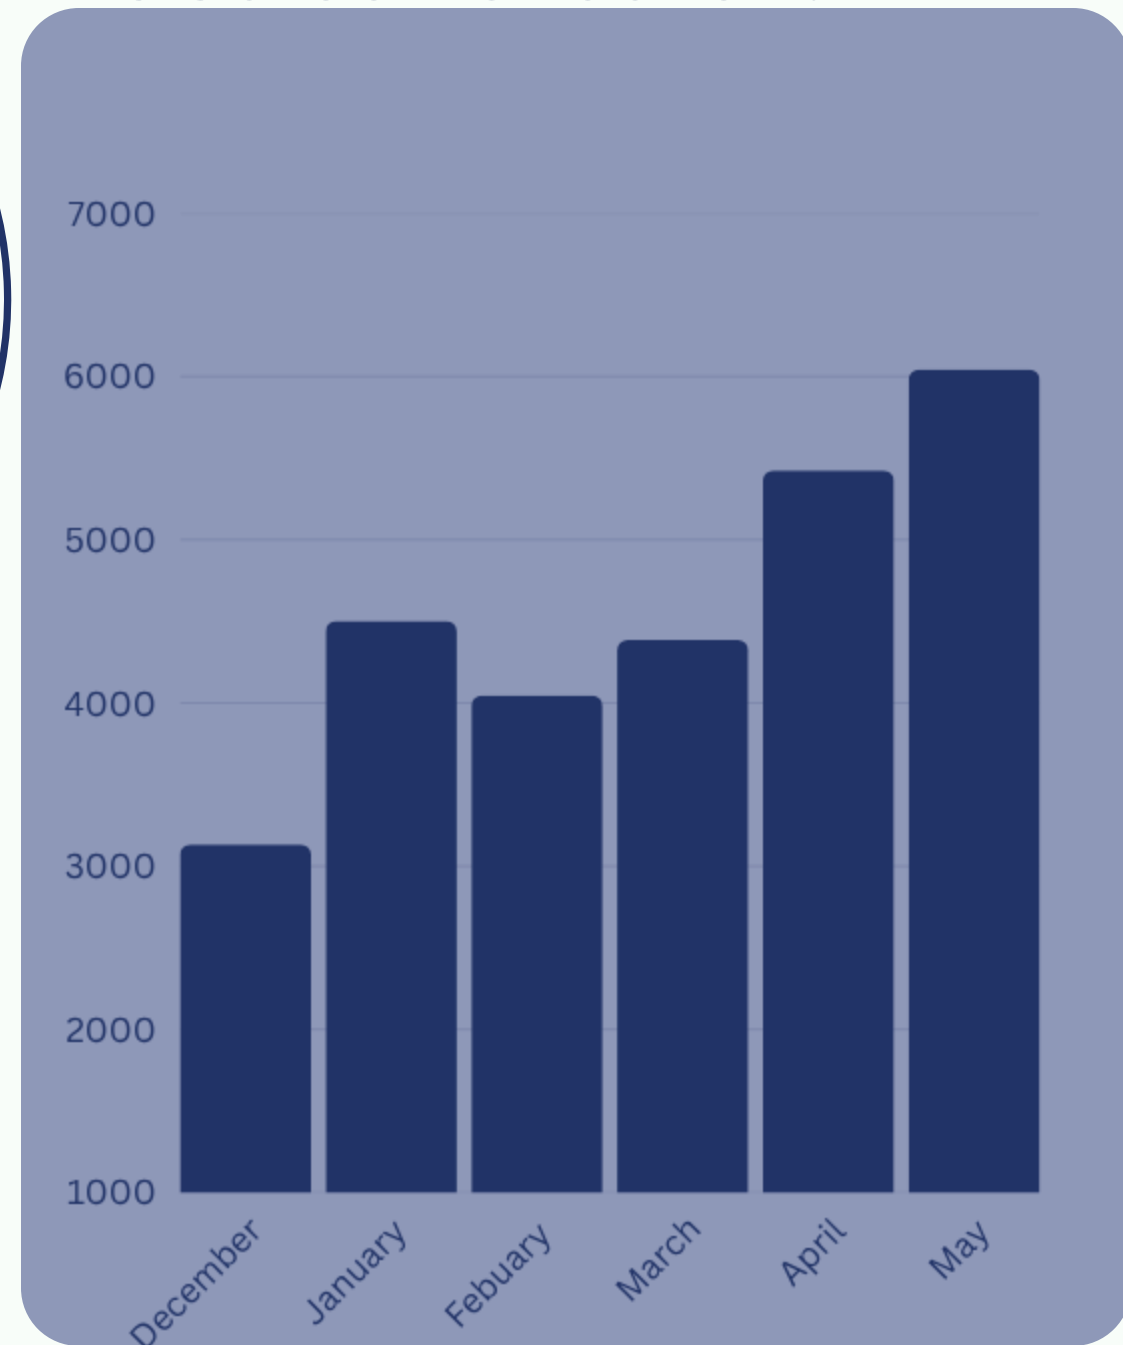

Clinical Clarification Hub

Centralized, trackable communication between pharmacy and provider to streamline medication clarification requests

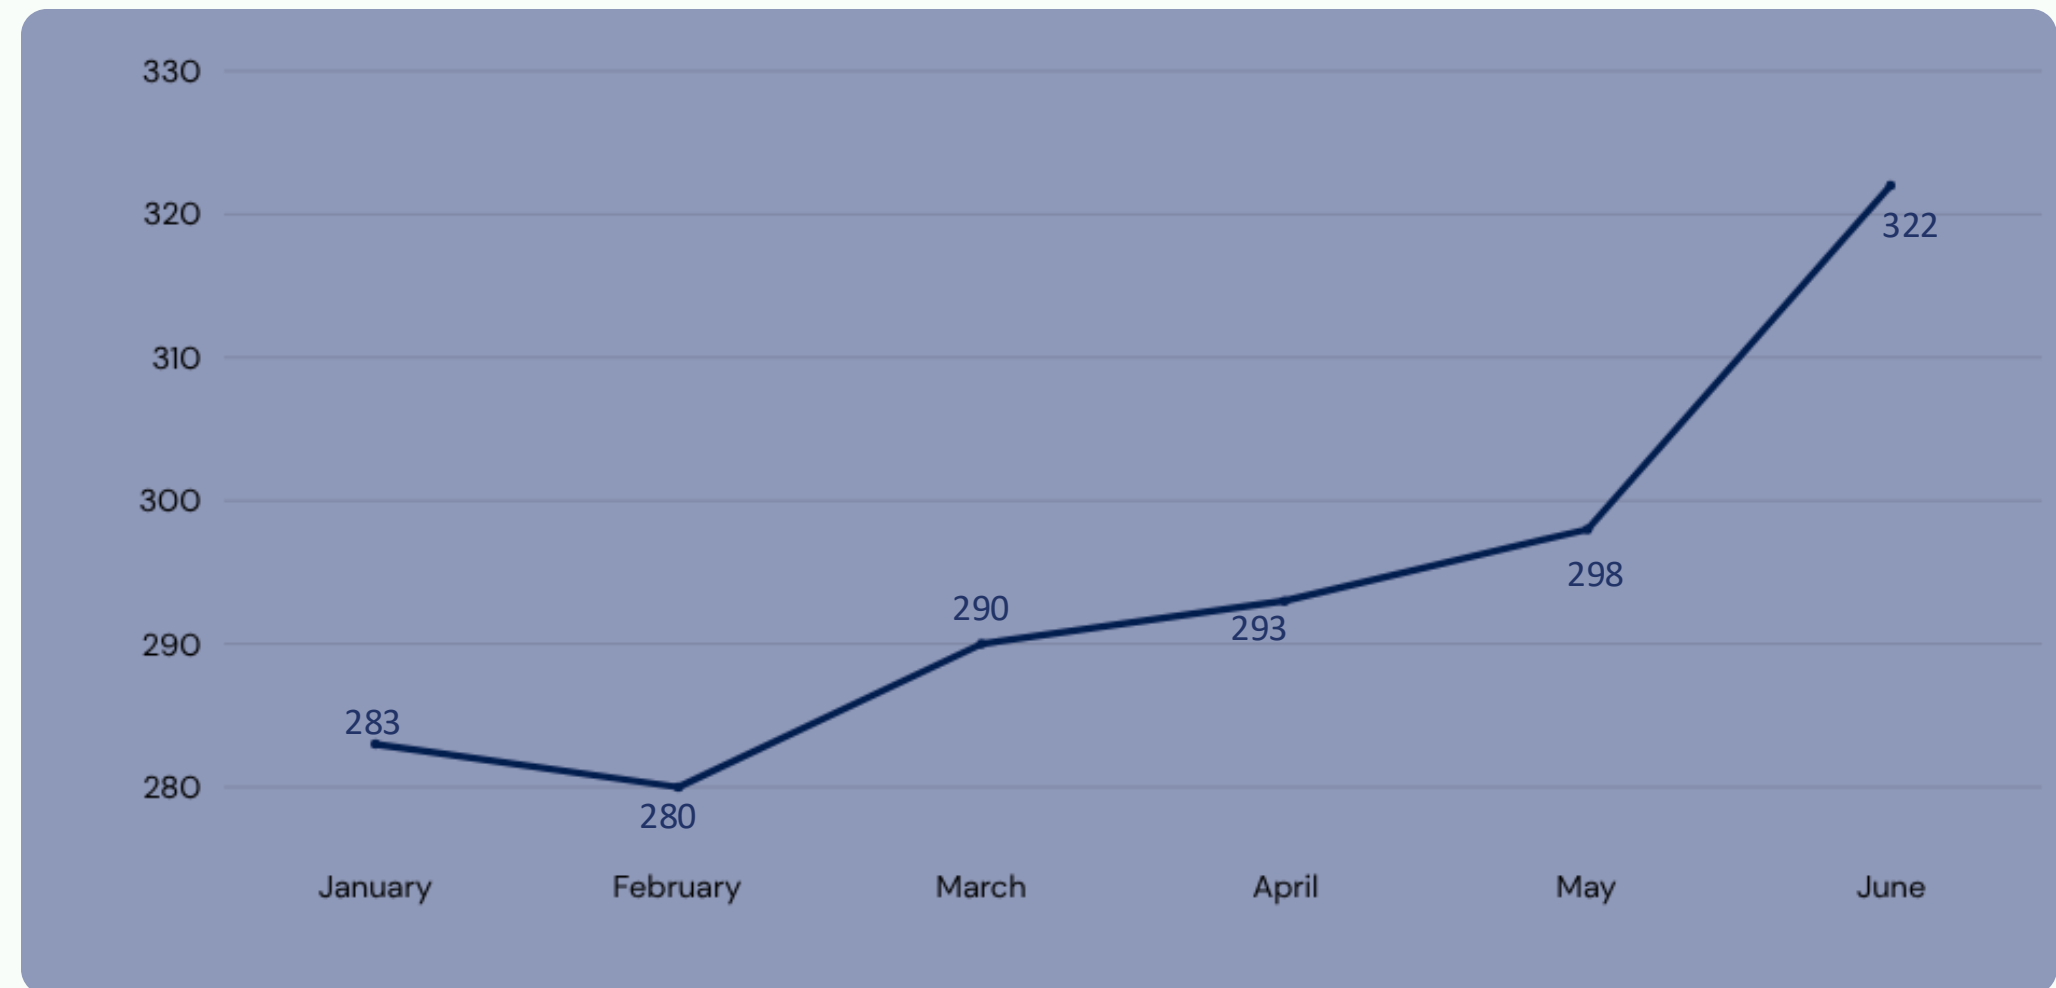

By the Numbers: Website Activity

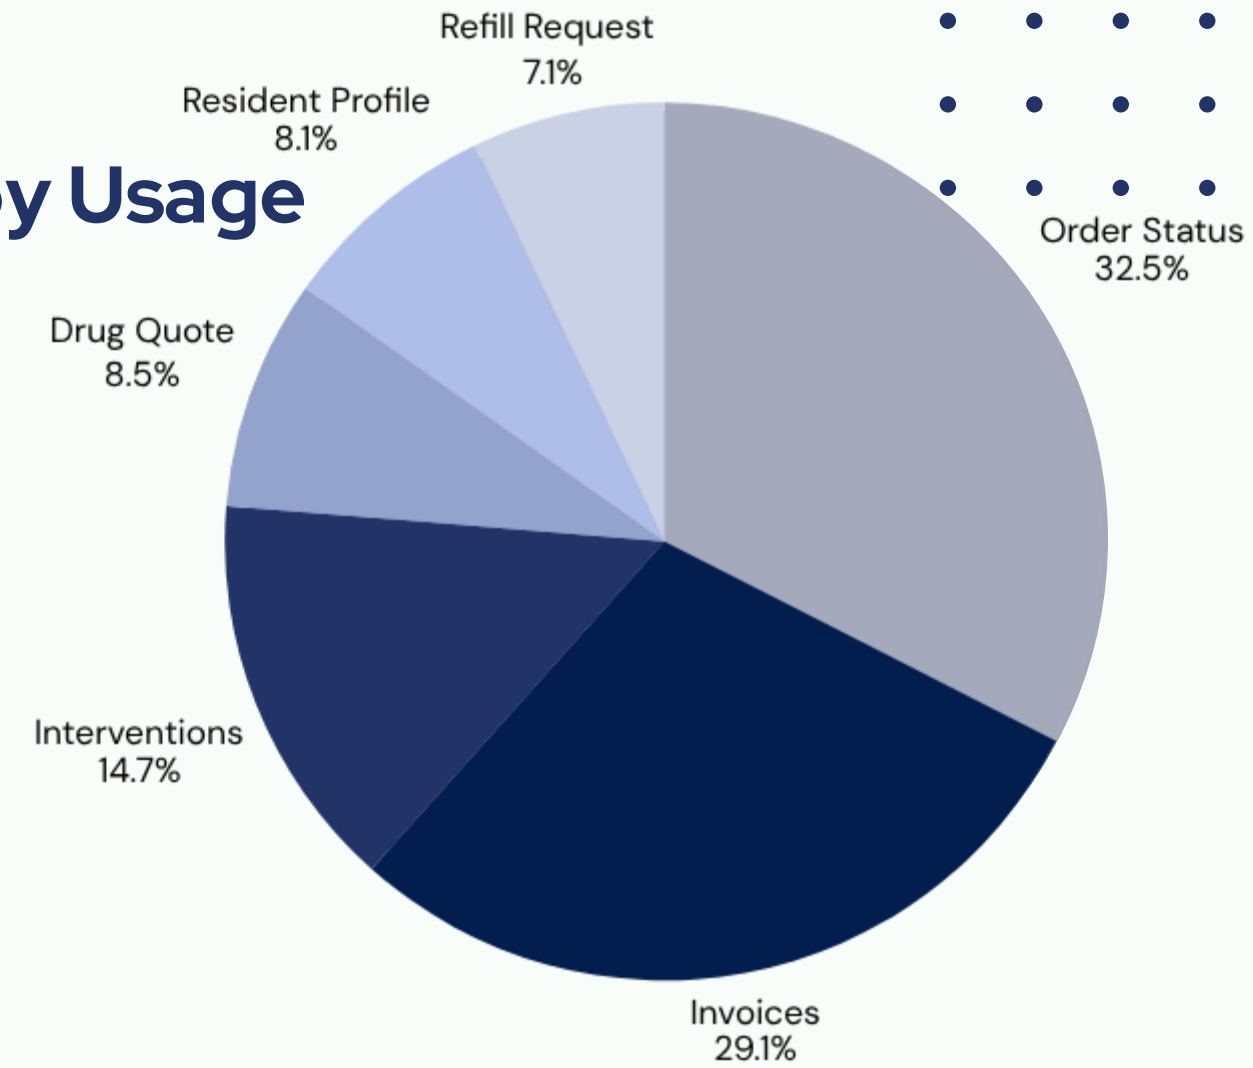

How Often is the Pending Rxs Screen Checked?

Facilities Using FacilityWiz – By Month

Top Screens by Usage Percentage

ROLE-BASED DASHBOARD

UP-TO-DATE REAL-TIME INFO

Operational Insights

- Live Census Overview: Instantly view census and occupancy
- Average Price Per Day (PPD): Monitor facility spending performance
- 6-Month Invoice Trends: Visualize cost

Cost Savings

- Prior authorization and interchange savings
- Medz2Bedz and formulary opportunities
- Monthly average savings

Interventions Overview

- Quick View: Instantly view the number of current rxs that need interventions
- Take Action: Quick links to take action

Tools & Reporting

- Downloadable Reports: One-click access to cost summaries
- Billable Medications: Track SNF-eligible reimbursements

Live Census Overview

Real-time census numbers at a glance.

Current Census

131

Total bed capacity: 200

Occupancy Rate: 65%

6-Month Average PPD (\$)

Trends in per-patient-day costs over the last six months.

Monthly Average PPD

6 month Average PPD
\$ 18

6-Month Invoice Trends

Interactive graph highlighting facility billing patterns.

Invoice Inquiry

Monthly invoice data displayed

6 month invoice average
\$ 15,217

Savings Achieved

Current dollar savings tracked by the facility. All charges remain under review until they are posted at the end of the month.

May 2025

Total Savings
\$2,363

Prior Authorization Savings
\$1,119

Therapeutic Interchange Savings
\$610

Insurance Formulary Savings
\$533
